N1 = Homologated for goods transport. M1 = Homologated for passenger transport

* Maximum payload figures includes driver and is subject to change dependant on variances in features, options and trim levels

The CO2 emissions test figures shown in the table do not express or imply any guarantee of the emissions or fuel economy of a vehicle in the class in question. All figures are based on tests conducted on vehicles with standard wheels and tyres. Optional or accessory wheel and tyre upgrades may have an effect on the emissions or fuel consumption figures provided for any vehicle.
