Consumption and CO2 figures are determined on the basis of the WLTP test procedure as per Regulation (EU) 2017/1347. Only compare fuel consumption and CO2 figures with other cars tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted (post-registration), variations in weather, driving styles and vehicle load. Additional equipment and or options may affect fuel consumption and the CO2 emissions produced. For further information, please visit FiatProfessional.ie or contact your preferred Fiat Professional dealer.

The colours and photographs illustrated can be affected by many factors including technical settings and the printing process and are therefore for guidance only and may differ from a real life environment.

IMPORTANT NOTICE: Fiat Professional Ireland endeavours to keep all pricing and specification up to date however final orders and products offered for sale may differ from those described or indicated in this document due to subsequent changes in specifications and / or component & supply constraints. The contents and descriptions are therefore to be treated as representations as to the current availability of products as described, or as to products actually offered for sale. Fiat Professional Ireland, a trading name of Gowan Motor Distribution Ltd. reserve the right to make changes at any time, without notice, to prices, colours, materials, equipment, specification and versions and also to discontinue models. All details correct at time of going to print. Please consult your preferred Fiat Professional Dealer for the most up to date information. This price / specification list is not a contractual document or offer of sale.

BEV model is an electric (only) vehicle, as such, at the time of publication (July 2023) it qualifies for a VRT rebate and SEAI grant support valued at €3,800 for retail customers which is included in the price.

Price excludes dealer delivery and related charges.
